Starting to use Fundamentals for TradingExpert Pro

Fundamentals icon

Like all other AIQ TradingExpert Pro applications, Fundamentals is started by clicking on the *Fundamentals* icon in the TradingExpert Pro program group or the TradingExpert Pro Quick Launch Menu.

When the Fundamentals for TradingExpert Pro window appears, functions can be accessed in two ways:

- Click the menu commands (*Fundamentals* and *Report*) on the menu bar to view drop-down menus of the functions.
- or —
- Click the function icons on the toolbar.
